ARTICLE XI - COMMITTEES

SECTION 1. The Board of Directors may create such committees as it deems proper and necessary to fulfill the objects and purposes of the league. Committee chairpersons shall, with the approval of the Board of Directors, be appointed and/or removed by the President.

SECTION 2. Coaches, upon approval of the Board of Directors, will be assigned teams on a qualification basis. Coaches will annually apply in writing to the Board of Directors as to the coaches' request for a team.

(a) Returning Head Coaches who are deemed qualified to be assigned teams shall have first priority to retain their previous teams. The assignment of teams to new Head Coaches shall be determined by the Board of Directors.

(b) Assistant Coaches, who were with a team the previous season and are deemed qualified by the Board of Directors to take that team over as Head Coach, will have the next option after a returning Head Coach to retain that team as Head Coach.

(c) A parent who has a returning son/daughter on a particular team and who is deemed qualified by the Board of Directors to take the team as Head Coach the next season, will have the next option after an Assistant Coach to retain that team as Head Coach.

SECTION 3. Coaches may assign their own practice times and days but may not choose their own field of practice. All available practice fields will be assigned by the league President or Division Director.

SECTION 4. The league President, or any of the Board of Directors may coach a team.

SECTION 5. Coaches, head and assistant, may be removed from coaching and/or affiliation with the league for cause and need not be taken back into the league. Coaches shall exhibit the highest form of sportsmanship and character or be removed from their assignment by the Board of Directors. Coaches must adhere to the Code of Conduct (*Attachment A*) established by the Board of Directors. Coaches may be immediately suspended by the President for cause depending on the severity of the offense or inappropriate conduct until such time as the Board of Directors are able to meet to decide on the further disposition of the coach's participation in the league based on the Code of Conduct (*Attachment A*).

ARTICLE XIII - REGISTRATION

SECTION 1. Registration fees shall be fully refundable if the player's request to withdraw from the league is made in writing and received by the League President on or before January 2 of the year in which the season is to be played. If the request is received in writing by the League President thereafter and before the day after the draft, then 50% of the registration fee shall be refunded. Thereafter no refunds shall be made.

SECTION 2. Registration fees shall be fully refundable to players on the Player Replacement Pool that are not placed on a team.

SECTION 3. A fee may be assessed for late registration as determined by the Board.

ARTICLE XIV - PLAYERS

SECTION 1. All registered returning players shall be entitled to play.

SECTION 2. All new players shall be registered on a "space available" basis with no guarantee of participating in the season. If there are more new players than available spaces, selection will be done on a "first come first served" basis determined by the registration list.

SECTION 3. Player desiring to play after the close of registration will be placed on a "wait list" on a "first come first served" basis. The "wait list" will be known as the Player Replacement Pool. The Player Replacement Pool shall be a confidential list. Replacement players will be selected in the order they are placed on the "wait list" until either all teams in the Division have the same number of players or the Replacement Pool is depleted.

(a) The Player Replacement Pool for each Division will be administered by the respective Divisional Director.

SECTION 4. When a team loses one (1) or more players on its roster, the Head Coach shall notify the Division Director. The Division Director shall assign a player from the "wait list" to the team. The replacement of players shall occur up to seven days prior to the official start of the season. The official start of the season shall be the first scheduled league game.

SECTION 5. Once a player is selected on to a team, the player will be retained on that team for the balance of the season unless:

(a) The player elects to enter the draft;

(b) The player resigns from the team on his/her own accord. Once the player receives a refund, the player is no longer eligible to participate in any League activities for the remainder of the regular season. If the player returns the following season, the player will enter the draft.

(c) The player's parent becomes a Head Coach of another team; or

(d) The player is traded to another team by mutual agreement between Head Coaches, the player's parents and the Divisional Director.

SECTION 6. Players entering the draft shall attend a tryout for their respective division. If a player misses the tryout for any reason, he/she shall be rated based on the coaches' knowledge of the player. If the coaches are unable to rate the player due to unfamiliarity with the players ability, he/she will be added to the blind draft.

SECTION 7. If a player drops out of the league within the seven (7) days prior to the official start of the season or thereafter, no replacement player shall be added to the team. The following procedures shall be followed to confirm the voluntary dropout:

(a) The Division Director or a person designated by the league President shall talk to the player's parent and inform them of the League policy regarding terminating participation and find out the reason for termination.

(b) The Division Director shall inform the Board of Directors of the results of the discussion with the player's parents.

SECTION 8. A player's age as of April 30 will determine the cutoff for the division that player will be eligible to participate in. Participants in the summer and winter leagues shall play in the division as determined by their respective age as of April 30 of the coming year.

SECTION 9. On a case-by-case basis, a player may move up to an older Division. The parents of the player can petition the Board of Directors for an exemption to move up to an older Division. The parent is required to submit a written petition to the Board of Directors fourteen (14) days prior to the date set for the tryouts. If the player moves up and the league is unable to attain insurance to cover the risk, the player will assume all risk and will not hold the league responsible. Players moving up to play in an older division will be eligible for both Pony-sanctioned and non-Pony-sanctioned postseason play.

SECTION 10. Any player too old for a Division must move up to the next Division, unless playing in a lower division is needed in order to comply with the Americans with Disabilities Act (ADA). The need for ADA accommodations will be reviewed on a case-by-case basis by the Board of Directors. The parent requesting ADA accommodations to play in a lower division is required to submit a written petition to the Board of Directors fourteen (14) days prior to the date set for the tryouts. The player will then be assessed at the tryouts by the coaches in the Division that the player wants to play in. The Board of Directors, in consultation with the Division Coaches, will make a decision based on the child's disability and the safety of the individual and other players. No player staying down in a division due to ADA accommodations will be allowed to participate in any post-season play.

ARTICLE XV – ROSTER SIZE

SECTION 1. The Board of Directors, in concurrence with the Divisional Directors, will determine the team roster size for each Division based upon the number of participants enrolled and coaches available, keeping in mind that current Pony rules dictate a minimum of 12 players and a maximum of 15 players on each team roster whenever possible.

ARTICLE XVI - DRAFT PROCEDURES

SECTION 1. The following draft procedures may be used by any/all divisions if a majority of the Head Coaches, along with the Division Director, in the division agrees. A Division may elect to use another method to select their teams as voted by a majority of the Head Coaches along with the Division Director. The Division must decide upon their method of team selection prior to the commencement of the team selections.

SECTION 2. Any expansion teams will have first pick.

(a) If there are two or more expansion teams, then first pick will be determined by a draw of cards or flip of coin.

SECTION 3. If there are no expansion teams, the team with the worst won/lost record from the preceding season will have first pick in the new season draft; the team with the second worst record will have the second pick, and so on.

(a) Only regular season won/lost records will count for the draft pick position—no post-season tournament play.

(b) Teams with identical won/lost records will flip a coin to see who gets the best pick position in the draft.

(c) In the event that not all teams played an equal number of games the preceding regular season, won/lost percentage will deem who picks first and so on. The team with the lower won/lost percentage will pick ahead of the team or teams with the higher won/lost percentage.

SECTION 4. Order of Draft – see *Attachment B: "HKYB Order Of Draft" Sheet*.

SECTION 5. All teams will have a first round pick unless they have twelve (12) of their players returning in which case they will get no pick. All teams will have a second round pick unless they have fewer than two (2) openings on their team (see Draft Sheet example).

SECTION 6. A head coach's son/daughter is to be assigned to his/her parent's team in the second round unless the parent declares, prior to tryouts, that the parent isn't going to coach the son/daughter. If the parent makes such a declaration, the son/daughter must go through the tryouts in order to be drafted. The son/daughter may not then be drafted by his/her parent's team. If the head coach is going to coach his/her son/daughter, the assignment in the second round will be automatic and the son/daughter does not have to go through tryouts. If the head coach has a second son/daughter, the second son/daughter is to be assigned to his/her parent's team in the third round of the draft unless the parent makes the declaration referenced above. If the parent makes such a declaration, the above rules apply. If the head coach is going to coach his second son/daughter, the assignment in the third round will be automatic and the second son/daughter does not have to go through tryouts.

SECTION 7. If parents have requested that brothers or brother/sister play on the same team, the second player is to be taken two rounds after the first brother/sister is drafted. For example, if a brother is chosen in the third round, the second brother/sister is to be taken in the sixth bonus round. If the situation arises and this is not possible, then it is up to the discretion of the Division Director.

SECTION 8. If parents have requested that the brother/sister of a child who is already on a team play on the same team, the brother/sister shall be automatically assigned to that team in the first available numbered round after the second round. The brother/sister automatically assigned will not have to go through tryouts.

SECTION 9. Teams may not pick more than eight (8) older players from their division for their team. If a team already has eight (8) or more older players who were drafted when younger, they may stay with the team.

SECTION 10. If a team is drafting all younger players and by the third round an older player is available when the team's turn pick comes up, the team is obliged to pick the older player.

ARTICLE XVII - PLAYER TRADES

SECTION 1. Player trades will be allowed during the day of the draft but must be agreed to by all coaches in the respective division and concluded by the end of the draft session. All trades must be approved by the Division Director.

SECTION 2. Proposed player trades occurring subsequent to the end of the draft session must be submitted to the Division Director in writing. The proposal shall contain the reason for a proposed trade. The proposal must be approved by the Division Director and approved by the Board of Directors. The Board of Directors will make a decision based on the individual's need and the overall interest of the league.

ARTICLE XVIII- ALL STARS

SECTION 1. Shetland Division will not have an All Star team unless authorized by the Board. Pinto, Mustang, Bronco, and Pony Divisions will have one All Star team if there are 3 or less regular season teams within each respective division. If there are 4 through 6 regular season teams within Pinto, Mustang, Bronco, or Pony Divisions then that division may elect to have 2 All Star teams: an A and a B team. If there are seven or more regular season teams within Pinto, Mustang, Bronco, or Pony then that division may elect to have three All Star teams: an A, a B, and a C team. The Board may authorize the formation of additional All Star teams or reduce the amount of teams if special circumstances require.

SECTION 2. Selection of the All Star head coach will be determined by the head coach with the best regular season record. Coaching of the All Star team is a privilege and not a right. Coaches are responsible for their actions as well as the actions of their players and parents. Therefore, if a coach has code of conduct violations he will not be allowed to take an all star team. If there are issues with players or parents of the coach the Board will make a decision based on the circumstances.

SECTION 3. If the head coach with the best regular season record declines to be the All Star head coach, the head coach of the team with the 2nd best regular season record will be offered the All Star head coaching position, provided that he/she does not have any code of conduct violations. If that head coach declines, the All Star head coaching position will be offered to the head coach with the 3rd best regular season record and so forth.

SECTION 4. If no head coach desires to be the division's All Star head coach, then nominations of assistant coaches will be accepted and decided on by the board.

SECTION 5. Each All Star team in Mustang, Bronco, and Pony Divisions will consist of 12 players. All Star teams in the Pinto Division may have up to 14 players. A team may be expanded by 1 player with the prior approval of the Board.

SECTION 6. The selected All Star Coach will select all players for the all-star team with input from the other division coaches. No more than 7 players may be selected from any one regular season team.

SECTION 7. Any player may decline, thus giving up his/her spot on the team and will not be eligible to be selected to any other All Star team for that season.

SECTION 8. If there is more than 1 All Star team the B team will be selected in the same manner as the A team, but after the entire A team has been selected.

ARTICLE XIX – HOUSE RULES

SECTION 1. All current Official Pony Rules & Regulations are in effect during all HKYB seasons with the exception of the current "House" rules. In cases in which there is a conflict between the Official Pony Rules and HKYB House Rules, HKYB House Rules supercede unless it's a sanctioned Pony Tournament in which case Official Pony Rules or local Pony Tournament Rules will govern.

SECTION 2. House Rules for the current season will be presented to all Division Head Coaches by the Division Director prior to the start of the season. There will be no changes to the presented House Rules once the season starts unless it is deemed necessary by the Board of Directors to ensure the safety of players, coaches, umpires and/or fans and/or to ensure the fairness and integrity of the league.

SECTION 3. All changes to the House Rules must be made through the Board of Directors.

ARTICLE XX - AMENDMENTS TO THE BYLAWS

SECTION 1. Any amendment to the By-Laws requires a two-thirds vote at a general membership meeting.

SECTION 2. Notice of the proposed amendment need not be circulated prior to the meeting.

SECTION 3. Amendments may be proposed from the floor at the general membership meeting where a quorum is present.
