Please describe why you are qualified and why you want to get involved as a coach _____

Mandatory coaches clinic for ALL coaches and assistants to qualify to be a coach in HKYB. No exceptions!

HKYB rules are structured so that every player has the opportunity to participate in every game. Placing less skilled players in more challenging positions is recommended at times. As long as you feel you are not endangering a player.

Positive criticism is always recommended. No swearing. It will only make your job more difficult. Tell the players when they do a good job. If they leave the field with a positive experience it will make their day.

When it comes to a competitive situation, whether it be a local playoff or all-star tournament representing the community, always remember the players. HKYB wants to be competitive in the State, so playing the best players in the best positions is expected. Do not show favoritism to your child, or any other player. It only takes away from those players who are talented and deserve to excel. It is the coach's responsibility to put the best team forward. If there is an argument with a parent for any reason, take the argument off the field after the game or ask to discuss the issue later. Ask the umpire for assistance in needed.

If you ever have any questions or concerns contact HKYB or other coaches. Those with years of experience will be more than happy to assist.

This form should be fully completed and returned as soon as possible to: HKYB P.O. Box 25942 Honolulu, Hawaii 96825
